Disclaimer and Forward-Looking Statements

The estimated, unaudited net pre-tax catastrophe losses indicated above are based on information available as of November 1, 2023 and management's initial review of operations for the third quarter. They remain subject to change based on management's ongoing review of the Company's third quarter results and are forward-looking statements (see below). Kingstone assumes no obligation to update these statements. The actual losses may be materially different and are affected by the risk factors and uncertainties identified in this press release and in Kingstone's annual and quarterly filings with the Securities and Exchange Commission.

This press release may contain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical facts, may be forward-looking statements. These statements are based on management's current expectations and are subject to uncertainty and changes in circumstances. These statements involve risks and uncertainties that could cause actual results to differ materially from those included in forward-looking statements due to a variety of factors. For more details on factors that could affect expectations, see Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2022 and Part II, Item 1A of our Quarterly Report on Form 10-Q for the period ended June 30, 2023 filed with the Securities and Exchange Commission. Kingstone undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
